Lesson outline	We will learn about how the Roman Empire became so powerful. We will begin by looking at what an empire is and then look at how the Roman Empire first began. Finally, we will learn about how it became the most powerful empire in the western world.	We will learn about one of the most famous Romans in history -Julius Caesar. We will explore his personal accomplishments, his war with Gaul and how he became the dictator of the Roman Empire.	We will learn about what life was like before the Romans arrived in Britain. We will also learn about how historians have been able to learn about this period of history.	We will learn about how the Romans conquered Britain. We will begin by looking at why Emperor Claudius chose to invade Britain and the key differences between the Roman and Celtic armies. Finally we will look at how the Romans built towns and cities across Britain.		
Extra Notes	This is a new topic, so remember to do lots of your own research! Go onto Youtube, watch videos, and see what else you can find out!	Don't forget to complete the Intro Quiz!	Don't forget to complete the Intro Quiz! Remember to use full sentences when you are answering your questions.	For your final drawing, make sure you take your time and use a ruler to label it. Use your checklist to mark your own work! Remember to take a picture and send it to me to have a look at.
