Lesson outline	In this lesson we will recap our knowledge of the seven continents in the world, before zooming into South America and locating Brazil. We are going to look at the different seasonal weather patterns in Brazil.	In this lesson we will recap our knowledge of the seven continents in the world and locating Brazil on a map. We will then look at weather patterns in the UK and compare these to the different weather we explored in Brazil last lesson.	In this lesson we will recap our knowledge of the seven continents in the world and locating Brazil on a map. We will then zoom into the north western region of Brazil and look at an example of a community living in the Amazon rainforest.	In this lesson we will recap our knowledge of the seven continents in the world and locating Brazil on a map. We will then focus on the Amazon rainforest. We will look at reasons why it is so important to life on Earth; why it is declining in size each year and what we can do to help to protect it.	In this lesson we will recap our knowledge of the seven continents in the world and locating Brazil on a map. We will combine all of our learning in this unit to explain the diversity of Brazil.	
Extra Notes	<ol style="list-style-type: none"> 1. Complete intro quiz. 2. Watch video. 3. Complete tasks 4. Exit quiz. 	<ol style="list-style-type: none"> 1. Complete intro quiz. 2. Watch video. 3.
