Lesson outline	In this lesson, we will introduce what a non-chronological report is, we will look at the features of a non-chronological report and we will find examples of features in a non-chronological report.	In this lesson, we will use spelling practice strategies to learn curriculum words.	In this lesson, students will develop their knowledge of the function of the colon. They will consolidate their understanding of the colon when introducing a list, and will then explore the colon when it separates clauses within a sentence. The lesson will conclude with a quick game to assess their understanding.	In this lesson, we will discuss the best way to gather information for a non-chronological report and collect notes from a video and text, focusing on collecting this information in an organised manner.
