	Lesson outline	<p>In this lesson, students will look at the importance of editing. They will then practise editing a pre-written paragraph with deliberate errors, before they complete an independent task of editing their writing so far.</p>	<p>In this lesson, students will use their notes from the research lesson to create a plan for their paragraphs on diet and habitat. They will use this plan in the next lesson to help with their writing.</p>	<p>In this lesson, students will use their plans to write their paragraphs on diet and habitat. The children will look closely at a modelled write to understand the expectations and write sentences that they plan to use in these paragraphs.</p>	<p>In this lesson, students will learn about the future of pandas and what humans are doing to help conserve the species. They will then use this knowledge to write a conclusion to their non-chronological report.</p>	<p>In this lesson, we will develop reading for pleasure through book recommendations. We will focus on poetry, picture books and non-fiction. Pupils will then generate their own recommendations to share with others.</p>
	Extra Notes	<p>Record your work in your pupil book.</p>	<p>Record your work in your pupil book.</p>	<p>Record your work in your pupil book.</p>	<p>Record your work in your pupil book.</p>	<p>Record your work in your pupil book.</p>
