	Lesson outline	In this lesson, we will reflect on what reading for pleasure means. We will spend time thinking about different texts that are important to us and create a 'Reading River' to show our own personal journeys in Reading.	In this lesson, we will develop reading for pleasure through book recommendations and then discuss and describe character traits of our favourite characters.	In this lesson, we will develop reading for pleasure through book recommendations, focusing on non-fiction and poetry. We will explore the concept of genre and pupils will generate their own recommendations to share with others.	In this lesson, we will explore the four word classes of nouns, adjectives, verbs and adverbs. We will consider their purpose and impact in writing and practise using them in our writing.	In this lesson, we will recap what a verb is, define a simple sentence as a main clause that makes sense on its own and write our very own simple sentences. For this lesson, you will need an exercise book or some paper and a pencil.
	Extra Notes	Think about your favourite books and ones that you enjoy!	Think about your favourite characters in books you have read!	Have a think about books you might want your friends to read too.	We will be re-capping on the four word classes. Which is helpful to know when reading!	Re-cap work on simple sentences! Think of everything you have learnt!
