

# All Saints Active Challenge

This week's challenge is...

## Air Hockey

### How to play...

- > Find a partner to play against and make a goal each.
- > Get a ball, and try to score in your opponent's goal!

You can turn this game into some of your favourite sports including football, basketball or hockey!

Check our YouTube channel for demos!

Build your Coordination and ball skills!

Instead of sitting down like the image below...

- > Can you keep a press-up position for the whole game?

- > Make your goals bigger so it is harder to keep the ball out.
- > Make your opponents goals smaller so it's harder to score.

Week 9!
