## Mission Statement

All Saints Multi Academy Trust, Birmingham

**God's Love in Action**

Our children are at the heart of everything we do **through Christian values and relationships. Living and learning together** we celebrate the uniqueness and diversity of everyone in our family. We nurture a sense of **self-belief, mutual respect and belonging** through Social Emotional Learning and academic excellence. We are dedicated to building the foundations for **happy and successful life-long learning.**

## 1.0 Aims of policy

---

Schools are required under the Equality Act 2010 to have an accessibility plan.

The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

**1.1** Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind. We aim to value the individuality of all of our children. We are committed to giving each child at our schools every opportunity to achieve the highest of standards, to ensure that all children are happy, involved and engaged in all areas of the school. We will ensure that every child is treated as a special, unique individual who has the potential to shine. We will work together to make sure children feel safe, secure, cared for and appreciated for being themselves.

In working towards this, we aim to:

- provide a structured, caring, learning environment, using those experiences which children bring to school.
- form positive partnerships between home, school and community.
- prepare children for living in a multicultural society and build upon the strengths of cultural diversity.
- provide equal access to a curriculum which promotes pupils' spiritual, moral, social and cultural development.
- to deliver a curriculum which aims to provide opportunities for all pupils to learn and to achieve.
- prepare children for their future role in society developing their knowledge, skills and attitudes.

**1.2** The plan will be made available online on the school website, and paper copies are available upon request. Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues. The school supports any available partnerships to develop and implement the plan.

**1.3** Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

- 1.4** We have included a range of stakeholders in the development of this accessibility plan, including the executive head teacher, SENDCo, leadership team, management team and the board of directors.

## **2.0 Legislation and guidance**

---

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

- 2.1** The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.
- 2.2** Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.
- 2.3** Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.
- 2.4** This policy complies with our funding agreement and articles of association.
