Sports & Club News

Well done to all our sports teams that have competed well this Spring Term. We have had our Girls Football team in UKS2 score some fantastic goals at Aston Villa, our Hockey and Football teams played against our partner schools, and the All Saints boys football team narrowly losing to Christ Church 6-4 in extra-time.

Everyone that has participated in clubs, or representing their school has done fantastically well and we look forward to more opportunities for you to take part in.

There are still spaces in various new after-school clubs, please make sure you sign a form and see a member of the office team for more details.

EYFS

Thank you for your patience whilst the windows have been being done. We are due to move back in straight after the half term holidays. Handwriting and Library book changing will continue as normal in the first week back.

For homework over the half term please practise reading, writing the tricky and decodable words which are in the children's homework bag. Also continue to practise writing the letter sounds. We have just finished a writing assessment with all your children; they have done so well and have made so much progress. We are very proud of them all. Your continued help at home makes a big difference. Please also continue to practise letter and number formation over the holidays.

When the children come back we have an exciting half term planned. We are learning all about life cycles and will have an incubator with eggs set up in the classroom. The children will then be able to watch the whole life cycle of the eggs as they become chicks.

Term Dates

Spring Term - Wednesday 4 January - Friday 7 April 2017

Spring Half Term - Monday 20 - Friday 24 February 2017

KS1

Half term is here already! We are now half way through the year, it is going so quickly. The children have really enjoyed the International topic – Spain. Thank you for all your support so far this year, the children are developing and progressing well.

Upcoming topics before Easter – Plants (Science), Chocolate (Topic) and Easter.

LKS2

We have loved learning about China for this topic. We have all learnt so much. Ask your children to tell you about our Chinese dragon, it is absolutely amazing!! The first week back we will be learning all about flowers and plants. We will be investigating how flowers and plant transport water around as well as trying to learn all the names of the parts.

UKS2

This week has been another fantastic week where we have learned all about Japan. We have made traditional Japanese lanterns and we even had a go at making our own sushi! The children have put lots of effort into learning the Japanese language and it really feels like little Japan in the classroom. Well done everyone!

Information from the office

Everyone in the office would like to say have a great half term and please remember that school starts back on *Monday 27 February*.

On **World Book Day**, all children need to come dressed as their favorite book character.

Just a reminder that the children do need to come in wearing a coat as the weather is so cold. We are still having lots of jumpers lost and children putting them in the wrong place. Please do write their name in the children's jumper, it makes it so much easier. Finally please remember only water in water bottles.

Bible Verse of the Week

“May the words of my mouth and the meditation of my heart be acceptable to You, LORD, my rock and my Redeemer.”

Psalm 139 v14
