## WHAT A FANTASTIC SEL WEEK

## EYFS

The children have had a lovely week learning about kindness, how to be a good friend and have undertaken lots of fun activities. They have been putting pom poms in our new 'kindness jar' and we have noticed a substantial improvement in them being kind to one another and helping each other out.

Next week we will go going back to our senses topic and learning all about sight. The children will learn about the importance of their eyes and will be blindfolded and led around the playground by an adult to help them to understand.

Dont forget handwriting mornings (Tuesday, Wednesday and Thursday). It really does make a big difference to your child if you attend and we are so pleased and thankful that so many of you do. PE is every Wednesday morning, the children need their kit please. Lastly please no squash in water bottles, we are a healthy school.

## KS1

The children have really enjoyed SEL week, learning about the different ways to be show kindness. They have worked very hard making friendship bracelets, posters and have also contributed to the school art work bench. Thank you to all the parents that joined us for the Inspire workshop this week. The kindness tree that was created is fantastic.

## Bible Verse of the Week

**“See what great love the Father has lavished on us, that we should be called children of God”**

*1 John 3:1*

## LKS2

The children have taken part in lots of exciting activities this week for SEL week. Thank you to all LKS2 parents who attended the workshop. We had a very enjoyable morning working and learning together. Some of the children enjoyed a rock climbing experience as a reward for their hard work and good manners. Well done!

## UKS2

UKS2 have enjoyed SEL week, and we have loved our theme of 'kindness.' Every activity we have done has been thinking about how we can be more kind to others, and how we can be thankful for what we have. Thank you to those parents who came to our Inspire workshop – it was great to see you and get you involved in some of our activities. Well done to the 10 children who were chosen across UKS2 to go rock climbing! They had a fantastic time conquering their fears on the rock face.

## Information from the office

Please ensure the school office has your up-to-date contact details.

Please ensure that all clothing is labelled and please ensure your child/children has there P.E kit in school and all jewellery is removed.

Please inform us if somebody different is picking up your child. We won't let your child go with anyone who you haven't given permission to take.

## KS1 Kindness Tree
