## EYFS

Next week we are learning about SEL (Social and Emotional Learning) and the children will be discussing and learning about the importance of manners. Lots of fun activities have been planned and all the children will be helping to paint part of a school bench which will be displayed in the school.

Thank you to all the parents who come to our handwriting sessions. We have noticed lots of the children have made great progress over the Christmas holidays. Please keep practising at home and making sure that the letter formation is correct. Please return your child's reading books both library ones and the home readers.

Just a reminder that the children are only allowed water in water bottles, lots of other drinks seem to be creeping in!

## KS1

The children have enjoyed learning about animals this week and had a brilliant time at Hatton World on Monday. This week they have been discussing what they saw and had the chance to write riddles and reports about the different animals. Next week we will be focusing on 'Kindness' based around a book. It will be a whole school focus as part of our SEL week. How can you be kind to others? Who is kind to you?
