**Thank you for bringing money in for
RED NOSE DAY**

EYFS

Next week we will be starting our new topic all about Spring. The children will be learning about this season and how it is different to other seasons. We will be going on a Spring walk and the children will be enjoying lots of creative activities based around Spring.

In Numeracy we are learning all about addition and subtraction and the children have enjoyed using lots of different resources to help them understand these concepts.

Please remember to return reading books on a *Monday* please. If you could continue to practise reading, spelling and your tricky and decodable words. The spelling in particular is hard for the children, but so useful when we are writing sentences.

KS1

This week we have been focusing on Red Nose Day and what the charity does. The children have managed to raise lots of money for the charity and looked fantastic in their red clothes!

Thank you to all the parents who have support us and sent money into school.

Mothers Day Bible Verse

**“She is clothed with strength and dignity;
she can laugh at the days to come.
She speaks with wisdom,
and faithful instruction is on her tongue.”**

Proverbs 31:25-26

LKS2

Thank you to all parents who have helped raise money for Red Nose Day. The children have all enjoyed lots of fun activities.

UKS2

We have been busy preparing for Comic Relief this week. The children have been brilliant at coming up with ideas for stalls before setting them up in order to raise money. We have had a fantastic response across the whole school and hopefully we have raised enough money to make a big difference.
