PE News

Well done to our Year 5 & 6 students who represented All Saints Multi Academy Trust, Birmingham. They participated in the EFL Football Tournament against other schools around Aston, Ladywood and North Birmingham and came 3rd in their group stage. Some fantastic skills, goals and teamwork were on display.

We have another team representing us on *Monday* in the same competition, but against schools in Edgbaston and Central Birmingham.

Good luck guys!

EYFS

Thank you to so many parents who came to the Inspire Workshop, I hope that you found it useful. Just a reminder that home readers come back on a *Monday* along with library books. The children will then have a new book to take home on *Tuesday*. Please remember to write in your child's home reading book.

We are still looking for junk. Any cardboard boxes of various sizes, milk bottle tops and anything else that you might be throwing away. The children will be starting to use the junk to make various vehicles next week and we currently don't have enough! Any help will be greatly recieved.

PE next week will be on *Tuesday* morning instead of *Wednesday*.

KS1

Thank you to all the parents that came to see us on *Wednesday* night. We really appreciate your support as a strong home and school partnership achieves the best results for your children. If you have any further questions, please come and speak to us at the end of the school day.

Our science topic about the seasons has come to an end this week. The children have enjoyed creating art work and writing poems.

We will be starting our Superheroes topic next week, which should be very exciting. We will also be starting to prepare for the Nativity performance. Your children will be given parts and lines to learn at home if appropriate.

Bible Verse of the Week

**“My mouth will speak words of wisdom;
the meditation of my heart will give you understanding.**

Psalm 49:3

LKS2

Thank you to all who visited us on *Wednesday* evening. I hope you now have a clearer picture of how your child is doing in LKS2. We have finished our Science topic on Forces and the children thoroughly enjoyed the experimnts we did.

Next weekend we will be starting our new topic on the Stone Age.

UKS2

It was great to see those parents that came on *Wednesday*.

We have finished our science topic on life cycles this week and the children have produced some fantastic work.

Next week is Bilberry. I hope all who are going are as excited as us! Wellies and waterproof clothes are needed!

Information from the office

Photographs

A reminder to parents the deadline to return your order for photographs is *Thursday 17 November*, orders after this date will be processed but there will be a £4 pound surcharge. Orders must be made be through Jane Stapleton School Photography, please follow the instructions on the order form and envelope.

Lunch Boxes and Snacks

Please can all parents make sure that their child has a healthy meal and drink for school. No fizzy drinks, chocolate or sweets please.

Costumes

Super Hero costumes needed, any donations gratefully received!
