## UKS2 are learning about Japan

## EYFS

Next week in Reception we are having some building work and as a result there will be some changes. New windows are being putting in road side. Reception children will come into school through the gate as normal and through the Reception door. Coats and bags will be hung on their pegs but we will be using a different classroom whilst work is being done. Adults will walk the children down to their new room.

Building work will only be carried out for a week, so things will be back to normal after half term. Unfortunately, it won't be possible to do handwriting or shared library next week but these will continue after half term as normal.

We sadly said goodbye to both Serina and Warjin this week. They've both moved to schools which are closer to home and we have welcomed Esther into class. She has settled in beautifully and has already made firm friends.

## KS1

Our International topic has begun and we are focusing on Spain. The children started the topic by role playing an aeroplane journey and landing in Spain. They have been learning about Spanish dancing, the language and culture. We will be continuing with our Spanish topic next week! If you have any bottle tops (like coca-cola bottle or milk bottle tops) please send them in to school so that they can be used to make castanets.

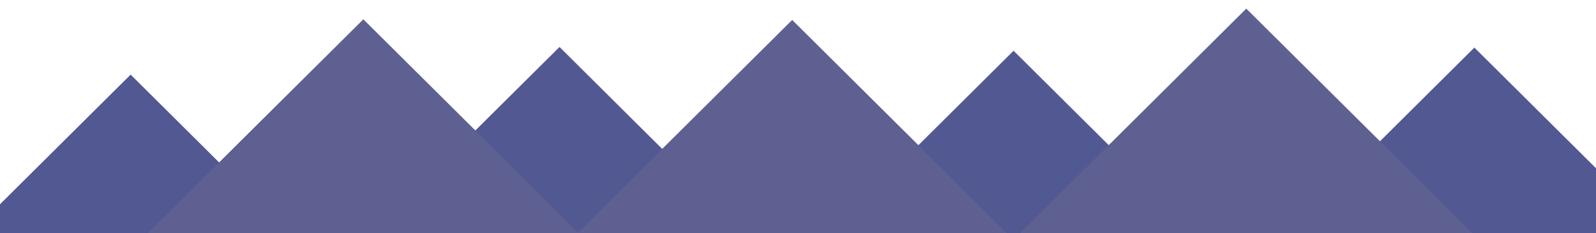

Reminder: Home reading books and homework should be returned to school by Thursday. Please ensure that your child/children are reading at least 3 times a week and their diaries are signed.

## LKS2

We have had a great week starting to learn about China. We have learnt about the Chinese New Year in Literacy. We have also learnt more about some aspects of Chinese culture. Some of us tried food, others explored the movement of dragons, one group looked at the Chinese language and the last group started to learn about mindfulness through the art of Thai Chi. Next week we will be continuing with our groups and coming together on Thursday to share everything we've learnt about our topic.

## UKS2

What a fantastic week we have had in UKS2 this week. We have kicked off our International topic by learning all about Japan. The children wrote their names using the Japanese alphabet, practised calligraphy, and learned to introduce themselves in Japanese. It has been great to see so many children excited to learn about another culture. We also had a fantastic trip to a Karate dojo where we learned all about the Japanese martial arts and ate traditional Japanese foods.
