All Saints You Tube Channel

The All Saints Multi Academy Trust Birmingham YouTube channel is still **LIVE!**

Every week new videos are being posted and this weeks 2 new videos are a 'must-see'!

This time of year, we normally welcome you into the building for Parents Welcome Evening. This is a great opportunity for you to meet the teaching staff, get to see how the day is structured and our expectations of the children.

However, due to COVID-19, we have been forced to cancel the event. We have decided to share a video with you all about how we've returned back to school instead. The video shows the unique way we have worked with your children to get them up to speed and enjoy their learning!

On Wednesday of this week, we also revealed our House Captains! Our captains are noticeably different in their purple jumpers. Keep an eye out for these superstars who have extra roles including representing their house team and showing visitors around.

...and staying on the theme of videos. Today we have enjoyed our Harvest Festival Celebration Live! The video isn't available on our channel, but Birmingham City Mission led our celebration in fantastic style. Thank you all for your generous food donations.
