What happened this week...Inspire Workshops!

In the EYFS, our inspire workshop was based on fine motor skills. The development of strong hands and fingers is essential for children to learn and develop. We'd like to thank all the parents that came to support their children - they loved seeing you and showing you all the different activities that they do at school. We hope that you are able to use some of the ideas at home with your children.

We had an amazing turnout for the KS1 Inspire workshop on Wednesday. We had fun finding words in the sand and writing tricky words in the shaving foam. The children loved finding new ways of reading and we hope they can use the skills they learnt at home as well as at school.

LKS2 had a brilliant reading Inspire Workshop. We made some amazing comprehension dice and listened to Horrid Henry on the listening centre. All parents were able to take away a pack to help their children to read at home.

UKS2 had a wonderful time at this terms Inspire workshop. Thank you to all parents who came and joined us, the children loved making their SWAG bags! We look forward to seeing you at the next one.
