EYFS Inspire

EYFS have settled into the new school year well. This term we have been focusing on the topic of 'Ourselves and Babies' where we have learnt about the different parts of the body and how we have changed since we were a baby. Lots of children have brought in baby photographs of themselves and we have enjoyed looking at how much we have grown!

On Wednesday 9 it was our fine motor skills Inspire Workshop. It was a pleasure to see lots of parents and family members attending the workshop. Thank you for coming and learning with your child at school.

Stars of the week

At St Thomas Academy we like to celebrate the achievements of our children. These are the children who have been chosen as star of the week for their year group:

Nursery: Paris is my star of the week for always joining in with the class and all activities.

Reception: Omer for always showing a good effort in his maths and literacy work.

Year 1: Keyarn because he has made a great improvement on managing his feelings.

Year 2: Ethan Mc for fantastic writing so far and trying to improve with editing his own work.

Year 3: Gia - For always following the school rules.

Year 4: Reem because she has began to write sentences independently and her spelling has improved greatly .

Year 5: Jessica for being keen and excited about learning and always striving to do her best. Well done Jessica! Keep up the good work.

Year 6: Henoc has been working really hard this year. He is always willing to answer questions and give his opinions. He looks out for the safety of other children and has become a great computer expert during Devotion. Well done Henoc, keep it up for the remainder of the year!
