Fri 14 Feb	School closed for staff training
Mon 24 Feb	First day of new term

## Office News

Nursery parents, please can you complete and return any Parent Declaration forms that were given out at the Inspire Workshop this week.

Please can you make sure that your child's name is in all pieces of uniform, clothing and footwear so we can return these items if they get lost.

It is very important that you help your child be on time for school. Doors open at 8:45 and close at 8:55 and children who arrive after this time miss guided reading and disrupt the rest of the class.

“Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.”

**Isaiah 40:31**

## What's been happening in... EYFS

The children had a wonderful inspire workshop with their parents and can I thank all parents who came. The children were able to make their own game to improve their maths that they took home and enjoyed. The children in nursery this term are learning about shapes and recognising shapes around them. While maths in reception is about addition and subtraction.

For our communication and language topics reception are doing about rhyming words and finding words that sound the same. Nursery are exploring Percy the park keeper and looking at feelings and how Percy helps his friends.

# Stars of the week

At St Thomas Academy we like to celebrate the achievements of our children. These are the children who have been chosen as star of the week for their year group:

**Nursery:** Yusuf - for working hard in all subjects.

**Reception:** Imogen - for good progress in maths

**Year 1:** Blerina - she has been doing really well with her writing and we are really proud of her work.

**Year 2:** Sultana - she has been producing some really good work and trying hard.

**Year 3:** AbdulMalik - for coming to school with a good attitude towards learning.

**Year 4:** Lelarni - because she has such a positive attitude to learning and is always smiling.

**Year 5:** R'Kyce - he has been working extremely hard, especially in his literacy intervention and has written a fantastic story! Keep up the good work.

**Year 6:** Harry has had a fantastic week. He has written a brilliant story - an adaptation of Roald Dahl's 'George's Marvellous Medicine'. He has shown a fantastic writing style and included complex punctuation and adventurous vocabulary.

## Attendance

1st: UKS2

2nd: LKS2

3rd: KS1

House Winners:
