EYFS

Next week we will start our International Topic and we will be learning about China. We will focus on traditions and customs.

This week children have enjoyed learning about their sense of touch. They explored different textures and matched textures to the describing words. Next week we will be learning about our sense of hearing.

If your child has come home with any item of clothing, water bottle or bag that does not belong to your child, please return them to school where we can return them to the right owner.

KS1

Next week is the start of our International Week Topic and we are looking at South Korea. Please encourage children to research this topic and to contribute their facts and ideas.

Information from the office

We are writing to inform parents that there have recently been a couple of cases of head lice identified in school. While lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they can be allowed to spread. As there have been a couple of cases, we would ask you to check your child's head as soon as possible'

For further information on head lice please see your pharmacist or visit www.nhs.uk/conditions/head-lice

Please can we remind parents that **no nuts** are allowed in children's packed lunches.
